Subject: Request for permission to provide 24x7 emergency medical service to the students of Udayan Public School at minimum cost.

Respected Madam,

With due respect, this is to state that Arogyam Nursing Home, Tandwa Road, Simaria, is committed to providing prompt and affordable healthcare services to the people of this region. In this regard, we allow to extend 24x7 emergency medical service to the students of Udayan Public School, Tetar More, Simaria, Chatra, vide your letter no. 488/377/2026. Dated 09/04/2026 at the minimum possible cost.

The main objective of this proposal is to ensure immediate medical attention to students in case of sudden illness, injury, accident, fever, dehydration, or any other emergency condition. Timely treatment and medical support can greatly help in protecting the health and safety of students during school hours as well as in urgent situations beyond school timing.

If permitted, our nursing home will be ready to provide emergency consultation, first-aid support, essential treatment, and referral assistance whenever required. We also assure you that the medical services extended to the students of your esteemed school will be made available at concessional and minimum charges, keeping in mind the welfare of students and their families.

Therefore, you are kindly requested to give the opportunity for this service so that students of Udayan Public School may benefit from round-the-clock emergency medical care whenever needed.

We shall remain grateful for your kind consideration and positive response,

Yours faithfully,

Arogyam Nursing Home
